Festival of the Lakes Polka Party

The 15th Annual Festival of the Lakes invites all polka enthusiasts to stop by when it hosts its popular Polka Party on Sunday, July 22. Musical guest Tri-City Drive will bring a traditional Polish sound to accompany an afternoon of great food and dancing. Tri-City Drive is Chicago's newest polka band led by Tim Okrzesik (drums). The band members include Ted Okrzesik, Jr. (trumpet), Craig Marsolek (concertina), Steven Futa (bass), A.J. Okrzesik (trumpet and Andrew Okrzesik (accordion). Tri-City Drive formed in 2015 and has performed at multiple Blazonczyk/Bel-Aire Enterprises functions as well as dances sponsored by other polka promoters and polka organizations in Illinois, Wisconsin and Michigan. The music of Eddie Blazonczyk's Versatones, Lenny Gomulka

and the Chicago Push, The Brass Connection, Windy City Brass and the Dynatones are some of the bands that influence Tri-City Drive's music style. Please join the Festival in welcoming them to Indiana!

The festive celebration of the Polish heritage will run from 2 p.m. to 6 p.m. at the Hammond Marina, 701 Casino Center Drive. Admission and parking are free, and guests are encouraged to bring their own lawn chairs and blankets. Authentic Polish food from Cavalier Inn of Hammond and refreshments will be available for purchase. Visit www.festivalofthelakes.com or call 219.853.6378 for more information.

BNI Graduate Inspired by Classmates

Payton Hewlett, of Hammond, who graduated from Bishop Noll on May 31, said high school went by quickly but he values everything he experienced. The athlete who played varsity football, basketball and track was also vice president of BNI's National Honor Society chapter and a member of the Spell Bowl Team.

In addition, he is one of Noll's Graduates with Distinction, those who earn a 4.0 or above cumulative GPA.

He plans to attend Indiana University in Bloomington, but looks forward to spending the summer with friends before splitting up for college.

"I have made strong relationships with people, and I hope to keep those people close to me for the rest of my life. I've learned things in my high school career that I will carry with me forever. I'm a proud Bishop Noll Alumni."

Hewlett said when he came to Bishop Noll as a freshman, he knew only one other student, as he was one of

a small percentage of students who came from public school. However, it wasn't long before he made friends and started reaching for success.

"I think attending BNI after going to public school enabled me to be more successful in high school because there were less distractions and most of my classmates are high achievers, which pushed me to always be at my best," he said. "Going to a Catholic school also made me more spiritual and closer to God, which is something I value greatly, and hope to continue to build on."

Hewlett said he has many good memories of Noll, but his first dunk in a varsity game is among the best.

"It was a home game against Highland and it was very intense. When I dunked it, I could feel the energy of my teammates and the crowd go up instantly. It was a great experience."

Viral International Scholarship Program

Purdue University Northwest (PNW), together with Temple University, leader of the widespread #YouAreWelcomeHere social media campaign to encourage international students to study in the United States, is launching a national scholarship program for incoming international students for fall 2019. Five other U.S. college and university partners have also joined the effort.

This new scholarship will provide financial support for incoming international students who are committed to furthering the #YouAreWelcomeHere message through intercultural exchange that bridges divides at their future campuses and beyond.

"Purdue Northwest is proud to help launch the #YouAreWelcomeHere scholarship, advancing our university's commitment to international students and to campus-wide globalization," said William R. Law, Ph.D., interim associate vice chancellor for Academic Affairs.

Participating colleges and universities will offer an annual, renewable scholarship that covers a minimum of 50 percent of recipients' tuition. Those interested can apply for the scholarship at pnw.edu/youarewelcomehere.

"The #YouAreWelcomeHere

campaign has opened new bridges of goodwill between U.S. higher education and students worldwide," said Jessica Sandberg, Temple University's director of international admissions and originator of the campaign. "This scholarship is our way of meeting students halfway across that bridge. It advances the campaign through meaningful action, adding concrete support for international students to our already well-received message and providing those students with a way to expand the conversation."

Following expressions of apprehension by some international students about studying in the U.S., in November 2016, Temple University expanded the #YouAreWelcomeHere hashtag into an international campaign to ensure that international students at U.S. universities and colleges feel welcome in the United States. Since then, more than 350 colleges and universities, 60 international education companies and organizations, and 20 high schools have joined. Institutions can follow the campaign on the website that Temple maintains, youarewelcomehereusa.org, which includes a toolkit for promoting the campaign.

Purdue's SlamCamp for Students

Purdue University Northwest (PNW) and the Michigan City Public Library are co-sponsoring the seventh annual SlamCamp for middle-school students, challenging them to explore their creativity Monday through Friday, June 18-22 at the Library, 100 East 4th Street. The camp provides a full week of writing, art, theater performances, games and fun for students entering grades six through nine in fall 2018.

The camps will meet from 10 a.m. to 3 p.m., Monday through Thursday, June 18 -21, and from 10 a.m. to 12:30 p.m., Friday, June 22. At 6 p.m. on June 22, camp participants will host a showcase event, performing original creative pieces and competing for prizes. Parents, friends, and family members are invited to attend. The showcase is free and open to the public.

Faculty from PNW's English department develop all of the curriculum and train and coordinate volunteers made up of PNW faculty, students and alumni, as well as community members.

Camp participants engage in a wide variety of projects and challenges throughout the week, such as writing stories and song lyrics, drawing comics, and participating in

improvisational performances. Teams compete with each other to accumulate points for prizes. The week is topped off by the Friday night showcase event where all campers perform or display visual art and the judges announce the winners.

"I'm so proud to have been part of SlamCamp since its inception," stated Dr. Bethany Lee, PNW assistant professor of English and one of the camp's directors. "We've had the amazing opportunity to witness more than 100 middle school students express themselves through writing, music, theater, and visual art and their creativity and originality is simply stunning."

A \$5 registration fee covers all activities, supplies, lunches, and includes a camp T-shirt. The fee may be waived in cases of financial need. Registration can be completed through the SlamCamp Facebook page at <https://www.facebook.com/SlamCampNWI/> or by going to <https://www.eventbrite.com/e/slamcamp-2018-tickets-46126380245?aff=erelexpmlt>.
